Bulb Planting Fun At French Weir

Taunton Deane Park Services and the Friends of French Weir Park invite residents to a mass bulb planting session this Saturday, 21st October. There are over 300 bulbs, a combination of daffodils and crocuses, which need planting. Tools will be provided and participants are asked to meet at the 'kindergarten play area' for a 9:00am start. It is hoped the event will see residents of all ages out in force to enjoy the park and some fresh air.

"I am all in favour of the community being involved in their local park and I look forward to joining in the fun on Saturday morning," stated Cllr John Clark, Executive Councillor for Leisure, Arts & Culture, Taunton Deane Borough Council.

The bulb planting event was the idea of the newly formed Friends of French Weir Park with the support of Park Services who have provided the bulbs. For more information please telephone 01823 356519.
